

**Texas Department of Agriculture
Bevill & Church Street Infrastructure Improvements
City of Deport, Texas
Project ID: #7216131**

Hayter Engineering assisted the City in obtaining a grant from the Texas Department of Agriculture, Community Development Block Grant program for infrastructure improvements on city streets.

Line Improvements included the installation of 345 linear feet of 6" sanitary sewer lines; 2 replacement manholes; 373 linear feet of 6" water lines; and near and far side customer service transfers on Bevill Street, from Kelsey Street to College Street.

Street improvements included 4,108 linear feet of 2" HMAC; 8 feet of 4' wide new sidewalk with 80 linear feet of new curb and gutter in front of the school; and necessary asphalt street/drive repair, rock drive repair, and concrete drive repair.

Services provided by Hayter Engineering are listed at right.

This project was completed in 2018.
