and Girls' Club (West Paris Multi-Use Trail)
Paris, TX
Project ID: #STP 2014(095)TE**

Hayter Engineering assisted the City of Paris in obtaining grant funds for this project from the Texas Department of Transportation for 2.36 miles of all weather pedestrian and bicycle trails along City right-of-way. 1.7 miles of this trail is on an abandoned railroad corridor owned by the City of Paris and is 10 feet wide.

Improvements included:

- 6,974 square yards of cement stabilized subbase
- 6,336 square yards of 2" HMAC multi-use trail wearing surface
- 2,094 linear feet of concrete sidewalk/shared use path
- 3,000 linear feet of bike lanes
- 219 square yards of concrete driveway replacement
- curb ramps, signage, striping, regrassing

Service provided by Hayter Engineering are listed at right.

This project was completed in 2017.
