

Guaranty Bank - Paris, TX

Hayter Engineering coordinated with Bill Patton Architects, the City of Paris and the Texas Department of Transportation for a new Guaranty Bank branch bank in Paris, Texas. Services provided by Hayter Engineering are listed to the right.

This Guaranty Bank is the second for the City of Paris and the 16th Guaranty Bank location in the northern and eastern parts of Texas. The photo above shows the front entrance with landscaping. All the beds have sprinkler systems. The top photo is a view of the front of the building with the drive-through bays. The bank faces Loop 286 NE in Paris.

This project was completed in 2012.
