

Texas A&M University - Commerce, Texas Nursing and Health Science Building

Texas A&M University-Commerce is constructing a new Nursing and Health Sciences Building in its 2017 centennial anniversary of A&M Commerce becoming a state institution. Hayter Engineering is proud to help with this project to meet the growing needs of the University by providing construction surveying for the new building.

Construction is on-going at this time with the opening date scheduled for the near future.

Surveying was completed in 2017.
